Selected participants are contacted via email. They share drafts of what they will be working on during the retreat.

Each participant is assigned a mentor who reads their work and gives them one-on-one feedback and mentorship.

Our mentors will conduct workshops designed to develop the participants' writing approach and techniques.

Participants can revise their work in real time based on the mentors' advice and feedback received from peers.

Open to writers of all levels and formats!

Artistic Explorations in the Safety of Nature

Every aspect of the retreat is carefully designed to help you recharge your social, physical, mental and creative batteries and to reignite your love for writing.

Craft workshops designed and facilitated by professional writers.

Personalised one-on-one mentorship sessions with bestselling authors.

Find inspiration in a century-old Portuguese Villa

Ignite your imagination with curated experiences to spark your creativity.

Share strengths with fellow participants in feedback and editing sessions.

Build life-long relationships with fellow writers.

CHANDRAHAS CHOUDHURY

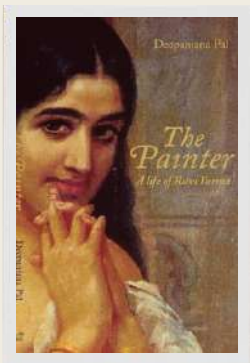

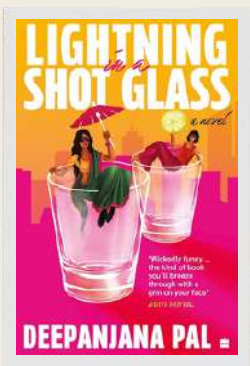

DEEPANJANA PAL

With two decades of experience as a journalist, Deepanjana Pal is the author of **Lightning In A Shot Glass**, 3 books from the **Puchku series** of children's books, the feminist thriller **Hush A Bye Baby**, and the acclaimed biography **The Painter** on Raja Ravi Varma.

She has written for major publications including *TimeOut Mumbai*, *Newslaundry*, *Film Companion* and currently working as a columnist with *Hindustan Times*.

She engages deeply with the reading community through her popular books newsletter, *Dear Reader*, and literary podcast, *The Lit Pickers*.

THE VENUE

Island House

Island house is set on the island of Divar and embodies Goa's *'slow-living'* and *'susegaad'* philosophy.

Island House is a century old Portuguese villa that captures the history and character of this island.

Located along the Mandovi River only 10.6 km from Panjim, it is one of six major islands within the Mandovi.

Get transported to a different world with serene villages, tree-lined streets, lush greenery, old Portuguese architecture, and the chirps of birds.

Spend your evenings:

- Relaxing in the pool or curling with a book in their cozy library.
- Walking through heritage sites and learning about the history of colonial Goa
- Cycling through the nearby village and admiring the Portuguese architecture

What is Included

- 5 days and 4 nights stay at Island House
